along the center line of Market street to the center line of Cruse street; thence south along the center line of Cruse street to the center line of Washington street; thence west along the center line of Wash ington street to the center line of Noble street; thence north along the center line of Noble street to the center line of Obio street; thence east along the center line of Ohio street to the center line of Highland street, the place of beginning, shall constitute the Eighty-ninth precinct.

Ninetieth Precinct.

Commencing at the center line of Arsenal avenue at its intersection by the center line of Michigan street; thence south along the center line of Arsenal avenue to the center line of Ohlo street; thence west along the center line of Ohio street to the center line of Pine street; thence north along the center line of Pine street to the center line of North street; thence east along the center line of North street to the center line of the Lake Erie & Western tracks; thence south along the center line of the Lake Erie & Western tracks to the center line of Michigan street, thence east along the center line of Mich igan street to the center line of Archer street; thence north along the center line Archer street to the center line of Michigan street; thence east along the center line of Michigan street to the center line of Arsenal avenue, the place of beginning, shall constitute the Ninetieth precinct.

Ninety-First Precinct.

Commencing at the center line of State street at its intersection by the center line of Market street; thence south along the center line of State street to the center line of Washington street; thence west along the center line of Washington street to the center line of Cruse street; thence north along the center line of Cruse street to the center line of Market street; thence east along the center line of Market street to the center line of Highland street; thence north along the center line of Highland street to the center line of Ohio street; thence east along the center line of Ohio street to the center line of Arsenal avenue; thence south along the center line of Arsenal avenue to the center line of Market street; thence east along the center line of Market street to the center line of State street, the place of beginning, shall constitute the Ninety-

Ninety-Second Precinct.

Commencing at the center line of Randolph street at its intersection by the center line of Michigan street; thence south along the center line of Randolph street to the center line of Washington street thence west along the center line o Washington street to the center line of State street: thence north along the cen ter line of State street to the center line of Market street; thence west along the center line of Market street to the center line of Arsenal avenue; thence north along the center line of Arsenal avenue to the center line of Michigan street; thence east to the center line of Randolph street, the place of beginning, shall constitute the Ninety-second precinct.

Ninety-Third Precinct.

Commencing at the center line of Beville avenue at its intersection by the center line of Michigan street; thence south along the center line of Beville avenue to the center line of Washington street thence west along the center line of Washington street to the center line of Randolph street; thence north along the center line of Randolph street to the center line of Michigan street; thence east along the center line of Michigan street to the center line of Beville avenue, the place of beginning, shall constitute the Ninety-third precinct.

Ninety-Fourth Precinct.

Commencing at the center line of Rural street at its intersection by the center line of Michigan street; thence south along the center line of Rural street to the center line of Washington street; thence west along the center line of Washing ton street to the center line of Bevill avenue; thence north along the center line of Beville avenue to the center line o Michigan street; thence east along the center line of Michigan street to the center line of Rural street, the place of be ginning, shall constitute the Ninetyfourth precinct.

Ninety-Fifth Precinct.

Commencing at the center line of Rural street at its intersection by the center line of Washington street; thence south along the center line of Rural sreet to the cener line of English avenue; thence west along the center line of English avenue to the center line of Reid street, or State avenue; thence north along the center line of Reid street, or State street, to the center line of Washington street thence east along the center line of Washington street to the center line of Rural street, the place of bginning, shall constitute the Ninety-fifth precinct.

Ninety-Sixth Precinct.

Commencing at the center line of Auburn street at its intersection by the center line of English avenue; thence south clong the center line of Auburn street to the center line of Prospect street; thence west along the center line of Prospec street to the center line of Reid street, or State avenue; thence north along th center line of Reid street, or State avenue, to the center line of English avethence east along the center line of English avenue to the center line of Auburn street, the place of beginning, shall constitute the Ninety-sixth pre-

Ninevy-Seventh Precinct.

Commencing at the center line of Reid street, or State avenue, at its intersec tion by the center line of Pleasant street thence south along the center line Reid street, or State avenue, to the center line of Prospect street; thence west along the center line of Prospect street to the center line of Olive street; thence north along the center line of Olive street to the center line of Pleasant street; thence east along the center line of Pleasant street to the center line of Reid street, or State avenue, the place of pe ginning, shall constitute the Ninety-seventh precinct.

Ninety-Eighth Precinct.

Commencing at the center line of Olive street at its intersection by the center the center line of Olive street to the center line of Prospect street; thence west along the center line of Prospect stree to the center line of Dillon street; thence north along the center line of Dillor street to the center line of Spann ave nue; thence east along the center line of Spann avenue to the center line of Olive street, the place of beginning, shall constitute the Ninety-eighth precinct.

Ninety-Ninth Precinct.

Commencing at the center line of Reid street, or State avenue, at its intersection by the center line of Hoyt avenue thence south along the center line of Reld street, or State avenue, to the center line of Pleasant street; thence west along the center line of Pleasant street to the center line of Olive street; thence north along the center line of Olive street to the center line of Hoyt avenue; thence east along the center line of Hoyt ave nue to the center line of Reid street or State avenue, the place of beginning shall constitute the Ninety-ninth pre-

One Hundredth Precinct.

Commencing at the center line of Reid street, or State avenue, at its intersection by the center line of Spann avenue thence south along the center line of Reid street, or State avenue, to the center line of . Hoyt avenue; thence west along the center line of Hoyt avenue to the center line of Olive street; thence north along the center line of Olive street to the center line of Spann avenue; thence east along the center line of Spann avenue to the center line of Reid street, or State avenue, the place of beginning, shall con-stitute the One-hundredth precinct.

One Hundred and First Precinct.

Commencing at the center line of Reid street, or State avenue, at its intersection by the center line of Deloss street thence south along the center line of Reid street, or State avenue, to the center line of Spann avenue; thence west along the center line of Spann avenue to the cen ter line of Dillon street; thence north ong the center line of Dillon street to the center line of Deloss street; thence east along the center line of Deloss street to the center line of Reid street, or State avenue, the place of beginning, shall constitute the One-hundred-and-first pre-

One Hundred and Second Precinct. Commencing at the center line of Reid street, or State avenue, at its intersection by the center line of Williams street: nce south along the center line of Reid street, or State avenue, to the center line of Deloss street; thence west along the center line of Deloss street to the center line of Dillon street thence north along the center line (Dillon street to the center of Meek street; thence west along the center line of Meek street to the center line of Cruse street; thence north along the center line of Cruse street to the center line of Chicago, St. Louis & Pittsburg railroad tracks; thence east along the center line of said tracks to the center line of Oriental street; thence north along the center line of Oriental street to the center line of Williams street; thence east along the center line Williams street to the center line of Reid street, or State avenue, the place of beginning shall constitute the One-hun-dred-and-second precinct.

One Hundred and Third Precinct. Commencing at the center line of Reid

street, or State avenue, at its intersection with the center line of Washington street; thence south along the center line of Reid street, or State avenue, to the center line of Williams street; thence west along the center line of Williams street to the center line of Oriental street; thence south along the center line of Oriental street to the center line of the Chicago, St. Louis & Pittsburg railroad tracks; thence west along the cenline of said tracks to the center line of Cruse street; thence north along the center line of Cruse street to the center line of Washington street; thence east along the center line of Washington street to the center line of Reid street, or State avenue, the place of beginning, shall constitute the One-hundred-andthird precinct.

One Hundred and Fourth Precinct. Commencing at the center line of Dillon street at its intersection by the center line of Meek street; thence south along the center line of Dillon street to the center line of Louisiana street; thence west along the center line of Louisiana street to the center line of Pine street; thence north along the center line of Pine street to the center line of Meek street; thence east along the center line of Meek street to the center line of Dillon street. the place of beginning, shall constitute

the One-hundred-and-fourth precinct. One Hundred and Fifth Precinct.

Commencing at the center line of Cruse street at its intersection by the center line of Michigan avenue; thence south along the center line of Cruse street to the center line of Meek street; thence west along the center line of Meek street to the center line of Pine street; thence south along the center line of Pine street to the center line of Louisiana street; thence west along the center line of Louisiana street to the center of Benton street; thence north along the center line Benton street to the center line of Washington street; thence east along the center line of Washington street to the center line of Michigan avenue; thence southeastwardly along the center line of Michigan avenue to the center line of Cruse street, the place of beginning, shall constitute the One-hundred-and-fifth pre-

One Hundred and Sixth Precinct. Commencing at the center line of Benton street at its intersection by the center line of Washington street; thence south along the center line of Benton street to the center line of Louisiana street; thence west along the center line of Louisiana street to the center line of East street; thence north along the center line of East street to the center line of Georgia street; thence east along the center line of Georgia street to the center line of Noble street; thence north on the center line of Noble street to the center line of Washington street; thence east along the center line of Washington street to the center line of Benton street, the place of beginning, shall constitute the One-hundredand sixth precinct.

One Hundred and Seventh Precinct. Commencing on the center line of Noble street at its intersection by the center

line of Washington street; thence south along the center line of Noble street to the center line of Georgia street; thence west along the center line of Georgia street to the center line of East street; thence north along the center line of East street to the center line of Washington street; thence west along the center line of Washnigton street to the center line of Noble street, the place of beginning, shall constitute the One-hundred-and-seventh precinct.

One Hundred and Eighth Precinct.

Commencing at the center line of Noble street at its intersection with the center line of Ohio street; thence south along the center line of Noble street to the center line of Washington street; thence west along the center line of Washington street to the center line of East street; thence north along the center line of East street to the center line of Market street; thence east along the center line of Market street to the center line of Liberty street; thence north along the center line of Liberty street to the center line of Ohio street; thence east along the center line of Ohlo street to the conter line of Noble street, the place of beginning, shall constitute the One-hundredand-eighth precinct.

One Hundred and Ninth Precinct.

Commencing at the center line of Liberty street at its intersection by the center line of Ohio street; thence south along the center line of Liberty street to the center line of Market street; thence west along the center line of Market street to the center line of East street; thence south along the center line of East street to the center line of Washington street thence west along the center line of Washington street to the center line of New Jersey street; thence north along the center line of New Jersey street to the canter line of Ohio street; thence east along the center line of Ohio street to the center line of Liberty street, the place of beginning, shall constitute the One-hundred-and-ninth precinct.

One Hundred and Tenth Precinct. Commencing at the center line of New Jersey street at its intersection by the center line of Ohio street; thence south along the

center line of New Jersey street to the center line of Washington street; thence west along the center line of Washington street to the center line of Delaware street; thence north along the center line of Delaware street to the center line of Market street; thence west along the center line of Market street to the center line of the first alley west of Delaware street; thence north along the center line of said alley to the center line of Onio street; thence east along the center line of Ohlo street to the center line of New Jersey street, the place of beginning, shall constitute the One-hundred-and-tenth pre-

One Hundred and Eleventh Precinct. Commencing at the center line of Easstreet at its intersection by the center line of Washington street; thence south along the center line of East street to the center line of the Union railroad tracks; thence

southwest along the center line of said tracks to the center line of Delaware street; thence north along the center line of Delaware street to the center line of Washington street; thence east along the center line of Washington street to the center line of East street, the place of beginning, shall constitute the One-hundred-

and-eleventh precinct. One Hundred and Twelfth Precinct.

Commencing at the center line of East street at its intersection by the center line of the Union railroad tracks; thence south along the center line of East street to the center line of South street; thence west along the center line of South street to the center line of New Jersey street; thence north along the center line of New Jersey street to the center line of Virginia avenue; thence northwest along the center line of Virginia avenue to the center line of the Union railroad tracks; thence northeast along the center line of said tracks to the center line of East street, the place of beginning, shall constitute the One-hunured-and-twelfth pre-

One Hundred and Thirteenth Precinet.

Commencing at the center line of Virginia avenue at its intersection by the center line of the Union railroad tracks; thence southeast along the center line of Virginia avenue to the center one of New Jersey street; thence south along the center line of New Jersey street to the center line of South street; thence west along the center line of South street to the center line of Illinois street; thence north along the center line of Illinois street to the center line of Jackson place; mence east along the center line of Jackson place to the center line of McCrea street; thence south along the center line of McCrea street to the center line of Louisiana street; thence east along the center line of Louisiana street to the center line of Meridian street; thence south along the center line of Meridian street to the center line of the Union railroad tracks; thence northeast along the center line of the Union railroad tracks to the center line of Virginia avenue, the place of be ginning, shall constitute the One-hundred-

and-thirteenth precinct. One Hundred and Fourteenth Pre-

Commencing at the center line of Delaware street at its intersection by the center line of Washington street; thence south along the center line of Delaware street to the center line of the Union railroad tracks thence southwest along the center line of said tracks to the center line of Meridian street; thence north along the center line of Meridian street to the center line of Louisiana street; thence west along the center line of Louisiana street to the center line of McCrea street; thence north along the center line of McCrea street to the center line of Jackson place; thence west along the center line of Jackson place to the center line of Illinois street; thence north along the center line of Illinois street to the center line of Washington street; thence east along the center line of Washington street to the center line of Delaware street, the place of beginning, shall constitute the One-hundred-and-fourteenth precinct.

One Hundred and Fifteenth Precinct. Commencing at the center line of the first alley west of Delaware street at its intersection by the center line of Ohio street; thence south along the center line of said alley to the center line of Market street; thence east along the center line of Market street to the center line

of Delaware street; thence south along the center line of Delaware street to the center line of Washington street; thence west along the center line of Washington street to the center line of Illinois street; thence north along the center line of Illinois street to the center line of Market street; thence east along the center line of Market street to the center line of Monument Place; thence around the north half of Monument Place to the center line of Market street; thence east along the center line of Market street to the center line of Pennsylvania street; thence north along the center line of Pennsylvania street to the center line of Ohio street: thence east along the center line of Ohio street to the center line of the first alley west of Delaware street, the

One-hundred-and-fifteenth precinct. One Hundred and Sixteenth Precinct. Commencing at the center fine of Illinois street at its intersection by the center line of Ohio street; thence south along the center line of Illinois street to the center line of Washington street; thence west along the center line of Washington street to the center line of Missouri street; thence north along the center line of Missouri street and the center line of canal to the center line of Ohio street; thence east along the center line of Ohio

place of beginning, shall constitute the

street to the center line of Illinois street. the place of beginning, shall constitute the One-hundred-and-sixteenth precinct. One Hundred and Seventeenth Pre-

Commencing at the center line of Illinois street at its intersection by the center line of Washington street; thence south along the center line of Illinois street to the center line of Maryland street; thence west along the center line of Maryland street to the center line of Mississippi street; thence north along the center line of Mississippi street to the center line of Washington street; thence east along the center line of Washington street to the center line of Illinois street, the place of beginning, shall constitute the One-hun-

dred-and-seventeenth precinct. One Hundred and Eighteenth Pre-

cinct. Commencing at the center line of Mississippl street at its intersection by the center line of Washington street; thence south along the center line of Mississippi street to the center line of Maryland street; thence east along the center line of Maryland street to the center line of Kentucky avenue; thence southwest along the center line of Kentucky avenue to the center line of Georgia street; thence west along the center line of Georgia street to the center line of Missouri street; thence north along the center line of Missouri street to the center line of Washington street; thence east along the center line of Washington street to the center line of Mississippi street,

the place of beginning, shall constitute the One-hundred-and-eighteenth precinct. One Hundred and Nineteenth Pre-Commencing at the center line of Illinois street at its intersection by the center

line of Maryland street; thence south along the center line of Illinois street to the center line of Louisiana street; thence west along the center line of Louisiana street to the center line of Capitol avenue; thence south along the center line of Capitol avenue to the center line of South street; thence west along the center line of South street to the center line of Missouri street; thence north along the center line of Missouri street to the center line of Georgia street; thence east along the center line of Georgia street to the center line of Kentucky avenue; thence northeast along the center line of Kentucky avenue to the center line of Maryland street: thence east along the center line of Maryland street to the center line of Illinois street, the place of beginning, shall constitute the One-hundredand-nineteenth precinct.

One Hundred and Twentleth Precinct. Commencing at the center line of Missouri street at its intersection by the center line of Maryland street; thence south along the center line of Missouri street to the center line of South street; thence west along the center line of South street to the center line of West street; thence north along the center line of West street to the center line of Maryland

street: thence cast along the center line

of Maryland street to the center line of

Missouri street, the place of beginning, shall constitute the One-hundred-andtwentieth precinct. One Hundred and Twenty-First Pre-

Commencing at the center line of West street at its intersection by the center line of Maryland street; thence south along the center line of West street to the center line of Kentucky avenue; thence southwest along the center lin-Kentucky avenue to the center line of White river; thence north along and with the meanderings of the center line said river to the center line of Maryland street; thence east along the center line of Maryland street to the center line of West street, the place of beginning shall constitute the One-hundred-and-

twenty-first precinct. One Hundred and Twenty-Second Pre-

Commencing at the center line of Missouri street at its intersection by the center line of Merrill street; thence south along the certer line of Missouri street to the center line of McCarty street; thence west along the center line of McCarty street to the center line of White river; thence north along and with the meanderings of the center line of White river to the center line of Kentucky avenue: thence northeast along the center line of Kentucky avenue to the center line of Merrill street: thence east along the cen-ter line of Merrill street to the center line of Missouri street, the place of beginning, shall constitute the One-hun-

dred-and-twenty-second precinct. One Hundred and Twenty-Third Precinct.

Commencing at the center line of Missouri street at its intersection by the center line of South street; thence south along the center line of Missouri street to the center line of Merrill street; thence west along the center line of Merrill street to the center line of Kentucky avenue; thence northeast along the center line of Kentucky avenue to the center line of South street; thence east along the center line of South street to the center line of Missouri street, the place of be-ginning, shall constitute the One-hundred-and-twenty-third precinct.

One Hundred and Twenty-Fourth Pre-

Commencing at the center line of Capitol avenue at its intersection by the center line of South street; thence south along the center line of Capitol avenue to the center line of Merrill street; thence west along the center line of Merrill street to the center line of Missouri street; thence north along the center line of Missouri street to the center of South street: thence east along the center line of South street to the center line of Capitol avenue, the place of beginning, shall constitute the One-hundred-and-twenty-fourth pre-

One Hundred and Twenty-Fifth Pre-

Commencing at the center line of Illinois street at its intersection by the center line of Louisiana street; thence south along the center line of Illinois street to the center line of Merrill street; thence west along the center line of Merrill street to the center line of Capitol avenue: thence north along the center line of Capitol avenue to the center line of Louisiana street; thence east along the center line of Louisiana street to the center line of Illinois street, the place of beginning, shall constitute the One-hundred-and-twenty-fifth precinct.

Commencing at the center line of Illinois street at its intersection by the center

One Hundred and Twenty-Sixth Pre-

line of Merrill street; thence south along the center line of Illinois street to the center line of McCarty street; thence west along the center line of McCarty street to the center line of Missouri street; thence north along the center line of Missouri street to the center line of Merrill street; thence east along the center line of Merrill street to the center line of Illinois street, the place of beginning, shall constitute the One-hundredand-twenty-sixth precinct. One Hundred and Twenty-Seventh

Precinct.

Commencing at the center line of the J., M. & I. railroad tracks at their intersection by the center line of South street: thence south along the center line of said tracks to the center line of Merrill street; thence west along the center line of Merrill street to the center line of Illinois street; thence north along the center line of Il'hois street to the center line of South street; thence east along the center line of South street to the center line of the J., M. & I. railroad tracks, the place of beginning, shall constitute the One-hundred-and - twenty - seventh pre-

One Hundred and Twenty-Eighth Precinct.

Commencing at the center line of Union street at its intersection by the center line of Merrill street; thence south along the center line of Union street to the center line of McCarty street; thence west along the center line of McCarty street to the center line of Illinois street; thence north along the center line of Illinois street to the center line of Merrill street;

rill street to the center line of Union street, the place of beginning, shall constitute the One-hundred - and - twenty-

eighth precinct. One Hundred and Twenty-Ninth Pre-

Commencing at the center line of Union street at its intersection by the center line of McCarty street; thence south the center line of Wilkins street; thence west along the center line of Wilkins street to the center line of Illinois street; thence north along the center line of Illinois street to the center line of McCarty street; thence east along the center line of McCarty street to the center line of Union street, the place of beginning, shall constitute the One-hundred-and-twentyninth precinct.

One Hundred and Thirtieth Precinct. Commencing at the center line of Madison avenue at its intersection by the center line of Wilkins street; thence southeast to the center line of Morris street; thence west along the center line of Morris street to the center line of Illinois street; thence north along the center line of Illinois street to the center line of Wilkins street; thence east along the center line of Wilkins street to the center line of Madison avenue, the place of beginning,

thirtieth precinct. One Hundred and Thirty-First Pre-

shall constitute the One-hundred-and-

cinct. Commencing at the center line of Madison avenue at its intersection by the center line of Union street; thence southeast along the center line of Madison avenue to the center line of Wilkins street; thence west along the center line of Wilkins street to the center line of Union street: thence north along the center line of Union street to the center line of Madison avenue, the place of beginning, shall constitute the One-hundred-and-thirty-

first precinct. One Hundred and Thirty-Second Pre-

Commencing at the center line of High street at its intersection by the center line of McCarty street; thence south along the center line of High street to the center line of Coburn street; thence west along the center line of Coburn street to the center line of Madison avenue; thence northwestwardly along the center line of Madison avenue to the center line of Mc-Carty street; thence east along the center line of McCarty street to the center line of High street, the place of beginning shall constitute the One-hundred-and thirty-second precinct.

One Hundred and Thirty-Third Precinct. Commencing at the center line of East street at its intersection by the center line

of McCarty street; thence south along the center line of East street to the center line of Morris street; thence west along the center line of Morris street to the center line of Madison avenue; thence northwestwardly along the center line of Madison avenue to the center line of Coburn street: thence east along the center line of Coburn street to the center line of High street; thence north along the center line of High street to the center line of Mc-Carty street; thence east along the center line of McCarty street to the center line of East street, the place of beginning shall constitute the One-hundred-and thirty-third precinct.

One Hundred and Thirty-Fourth Precinct.

Commencing at the center line of East street at its intersection by the center line of Merrill street; thence south along the center line of East street to the center line of McCarty street; thence west along the center line of McCarty street to the center line of Alabama street; thence north along the center line of Alabama street to the center line of ...errill street thence east along the center line of Mer rill street to the center line of East street the place of beginning, shall constitute the One-hundred-and-thirty-fourth precinct.

One Hundred and Thirty-Fifth Pre-

Commencing at the center line of Alabama street at its intersection by the center line of Merrill street; thence south along the center line of Alabama street to the center line of McCarty street; thence west along the center line of McCarty street to the center line of Madison avenue thence northwestwardly along the center line of Madison avenue to the center line of Merrill street; thence east along the center line of Merrill street to the center line of Alabama street, the place of beginning, shall constitute the One-hundredand-thirty-fifth precinct.

One Hundred and Thirty-Sixth Preeinet.

Commencing at the center line of Alabama street at its intersection by the center line of South street; thence south along the center line of Alabama street to the center line of Merrill street; thence west along the center line of Merrill street to the center line of J., M. & I. railroad tracks; thence north along the center line of the J., M. & I. railroad tracks to the center line of South street; thence east along the center line of South street to the center line of Alabama street, the place of beginning, shall constitute the Onehundred-and-thirty-sixth precinct.

One Hundred and Thirty-Seventh Precinct.

Commencing at the center line of East street at its intersection by the center line of South street; thence south along the center line of East street to the center ine of Merrill street; thence west along the center line of Merrill street to the center line of Alabama street; thence north along the center line of Alabama street to the center line of South street thence east along the center line of South street to the center line of East street, the place of beginning, shall constitute the One-hundred-and-thirty-seventh pre-

One Hundred and Thirty-Eighth Pre-

Commencing at the center line of Noble street at its intersection by the center line of Louislana street; thence south along the center line of Noble street to the center line of Virginia avenue; thence northwestwardly along the center line of Virginia avenue to the center line of East street; thence north along the center line of East street to the center line of Louisiana street; thence east along the center line of Louisiana street to the center line of Noble street, the place of beginning, shall constitute the One-hundredand-thirty-eighth precinct.

One Hundred and Thirty-Ninth Pre-

Commencing at the center line of Pine street at its intersection by the center line of Louisiana street; thence south along the center line of Pine street to the center line of Harrison street; thence west along the center line of Harrison street to the center line of Pine street thence southwestwardly along the cente line of Pine street to the center line of Noble street: thence north along the center line of Noble street to the center line of Louisiana street; thence east along the center line of Louisiana street to the center line of Pine street, the place of beginning shall constitute the One-hundred-and-thirty-ninth precinct.

One Hundred and Fortieth Precinct. Commencing at the center line of Dillon street at its intersection by the center line of Louisiana street; thence south along the center line of Dillon street to the center line of Fletcher avenue; thence northwestwardly along the center line of Fletcher avenue to the center line of Pine street; thence northeastwardly along the center line of Pine street to the center line of Harrison street; thence east along the center line of Harrison street to the center line of Pine street; thence north along the center line of Pine street to the center line of Louislana street; thence east along the center line of Louisiana street to the center line of Dillon

stitute the One-hundred-and-fortieth pre-One Hundred and Forty-First Pre-

street, the place of beginning, shall con-

cinct. Commencing at the center line of Dillon street at its intersection by the center line of Grove street; thence south along the center line of Dillon street to the center line of Virginia avenue; thence northwestwardly along the center line of Virginia avenue to the center line of Grove street; thence northeastwardly along the center line of Grove street to the center line of Dillon street, the place of beginning, shall constitute the One-hundredand-forty-first precinct.

One Hundred and Forty-Second Pre-

Commencing at the center line of Grove street at its intersection by the center line of Fletcher avenue; thence southwestwardly along the center line of Grove street to the center line of Virginia avenue; thence northwestwardly along the center line of Virginia avenue to the center line of Cedar street; thence northeastwardly along the center line of Cedar street to the center line of Fletcher avenue; thence southeastwardly along the center line of Fletcher avenue to the center line of Grove street, the place of be-ginning, shall constitute the One-hundredand-forty-second precinct. One Hundred and Forty-Third Pre-

street to the center line of Merrill street; Commencing at the center line of Cedar thence cast along the center line of Mer- | street at its intersection by the center

line of Fletcher avenue; thence southwestwardly along the center line of Cedar street to the center line of Virginia avenue; thence northwestwardly along the center line of Virginia avenue to the center line of Pine street; thence northeastwardly along the center line of Pine street to the center line of Fletcher avenue; thence southeastwardly along the center line of Fletcher avenue to the center line of Cedar street, the place of be-ginning, shall constitute the One-hundred-

and-forty-third precinct. One Hundred and Forty-Fourth Pre-

Commencing at the center line of Virginia avenue at its intersection by the center line of East street; thence soutneastwardly along the center line of Virginia avenue to the center line of Cimbel street; thence west along the center line of Gimbel street to the center line of Greer street; thence south along the center line of Greer street to the center line of McCarty street; thence west along the center line of McCarty street to the center line of East street; thence north along the center line of East street to the center line of Virginia avenue, the place of beginning, shall constitute the One-hundred-and-forty-fourth precinct.

One Hundred and Forty-Fifth Precinct.

Commencing at the center line of Virginia avenue at its intersection by the center line of Gimbel street; thence southeastwardly along the center line of Virginia avenue to the center line of Bradshaw street; thence west along the center line of Bradshaw street to the center line of Sullivan street; thence south along the center line Sullivan street to the center line of Buchanan street; thence west along the center line of Buchanan street to the center line of Beaty street; thence north along the center line of Beaty street to the center line of McCarty street; thence west along the center line of McCarty street to the center line of Greer street; thence north along the center line of Greer street to the center line of Gimbel street; thence east along the center line of Gimbel street to the center line of Virginia avenue, the place of beginning, shall constitute the One-hundred-and-

forty-fifth precinct. One Hundred and Forty-Sixth Pre-

Commencing at the center line of Virginia avenue at its intersection by the center line of Bradshaw street; thence southeastwardly along the center line of Virginia avenue to the center line of Coburn street; thence west along the center line of Coburn street to the center line of Wright street; thence north along the center line of Wright street to the center line of Buchanan street; thence west along the center line of Buchanan street to the center line of Sullivan street; thence north along the center line of Sullivan street to the center line of Bradshaw street; thence east along the center line of Bradshaw to the center line of Virginia avenue, the place of beginning, shall constitute the One-hundred-and-forty-sixth precinct.

One Hundred and Forty-Seventh Pre-

Commencing at the center line of Beaty

street at its intersection by the center line of McCarty street; thence south along the center line of Beaty street to the center line of Buchanan street; thence east along the center line of Buchanan street to the center line of Wright street; thence south along the center line of Wright street to the center line of Dougherty street; thence west along the center line of Dougherty street to the center line of East street; thence north along the center line of East street to the center line of McCarty street; thence east along the center line of McCarty street to the center line of Beaty street, the place of beginning, shall constitute the One-hundred-andforty-seventh precinct.

One Hundred and Forty-Eighth Pre-

Commencing at the center line of Wright street at its intersection by the center line of Dougherty street; thence south along the center line of Wright street to the center line of Sanders street; thence west along the center line of Sanders street to the center line of East street; thence north along the center line of East street to the center line of Morris street; thence west along the center line of Morris street to the center line of East street; thence north along the center line of East street to the center line of Dougherty street; thence east along the center line of Dougherty street to the center line of Wright street, the place of beginning, shall constitute the One-hundred-and-for-

ty-eighth precinct. One Hundred and Forty-Ninth Pre-

Commencing at the center line of Virginia avenue at its intersection by the center line of Coburn street; thence southeastwardly along the center line of Virginia avenue to the center line of Shelby street thence south along the center line of Shelby street to the center line of Sanders street; thence west along the center line of Sanders street to the center line of Wright street; thence north along the center line of Wright street to the center line of Coburn street; thence east along the center line of Coburn street to the center line of Virginia avenue, the place of beginning, shall constitute the One-hundred-and-forty-ninth precinct.

One Hundred and Fiftieth Precinct. Commencing at the center line of Olive street at its intersection by the center line of Prospect street; thence south along the center line of Olive street to the center line of Orange street; thence east along the center line of Orange street to the center line of Linden street; thence south along the center line of Linden street to the center line of Cypress street; thence west along the center line of Cypress street to the center line of Shelby street; thence north along the center line of Shelby street to the center line of Prospect street; thence east along the center line of Prospect street to the center line of Olive street, the
